@DRSHARONSALINE

Credible. Captivating. Compelling.

ARE YOU OVERWHELMED BY THE CHALLENGES OF RAISING A NEURODIVERSE CHILD OR TEEN?

As an internationally sought-after lecturer and workshop facilitator, Dr. Saline combines psychology with her love of theatre to animatedly present on a variety of topics from understanding ADHD, executive functioning and anxiety in children and teens, making sense of the teen brain, working with different kinds of learners and raising digital citizens. A magna cum laude graduate of Brown University, she received her master's degree in psychology from New College of California and her doctorate in psychology from the California School of Professional Psychology at Alliant University. Dr. Saline is a regular contributor to ADDitude.com and PsychologyToday.com, a featured expert on MASS Appeal on WWLP-TV and a part-time lecturer at the Smith School for Social Work. She lives with her family in Northampton, MA.

"Dr. Saline has twice provided our parents with informative presentations—once in person and once via webinar. The content of her presentations, as well as her warmth and relatability, are all reasons we will ask her back to our school again!"

— ALICE ROSE

Director of Learning Services at The Bay School San Francisco
San Francisco, CA

"This webinar was invaluable for us in better understanding our child and implementing practical strategies to make everyday life more manageable. I cannot recommend it highly enough."

— SARAH D.

Parent
Vero Beach, FL

"Dr. Saline's flair for theater, refreshing wit, candor, and ability to translate technical information for a lay audience are qualities that are rare to find in a clinical psychologist. She shares a depth of knowledge and breadth of experience in her accessible, instructive and entertaining presentations. I highly recommend her to any parent, teacher, or mental health professional interested in adolescents, the brain, ADD/ADHD, or the human condition!"

— DR. LAURIE OSTENDORF

Licensed Clinical Psychologist and parent
Northampton, MA

"I loved her calming and soothing voice during her talk. It made me want to create that list of calming techniques to use in our household. She was very informative."

— TRISHA
